GOD'S CHILDREN

Children are the living hope of the future. That is why "a man leaves his father and mother and joins himself to his wife, and they become one body" (Genesis 2:24). Facing the future together as a family is becoming harder in our time. How can we approach God's life if we do not experience the difference between "childish" and "childlike"? To be childlike is to gain access to holiness. Jesus showed us how to be God's children. Happy are we!

Thank you Marianne for your thoughts. Have you ever considered joining the music ministry? Join us on Wednesday evenings at 7pm for the Adult Seton Choir. We would love to have more men join their voices in singing God's praises with us!

DIVORCE

Divorce is always a hot topic in the church. Sunday's Gospel brings it to the fore once again. As Catholics we believe in the permanency of a valid marriage. A couple joined together in love symbolizes the unending love of Christ for his people. But we also see many marriages break apart for a host of reasons. Jesus' comments in the Gospel are consistent with the radical expectations of life in the kingdom of God, in which God's love overcomes all human limitations and resistance. But while we await the fulfillment of God's kingdom, our human imperfections still abound. The call of Christ is to strive to let God's love grow more and more each day. Discover ways to strengthen marriage at www.ForYourMarriage.org. You'll find daily marriage tips and suggestions on ways to deepen your love.
