"It has been decided by the Holy Spirit and us...." God's people have always been aware of this Advocate – Paraclete, Holy Spirit – teaching and reminding them of their main job. Their work is to lead one another to do right before the Trinitarian God and so gain entrance to the holy city, New Jerusalem, shining with glory. The Holy Trinity creates us, guides us on the way, and prepares our heavenly home: God's wedding feast. Respond if you please!

**A Word from Fr. Jim**

Today we pay tribute to all of our mothers, both living and deceased. Without them, we would not be the people that we are. Our mothers have nurtured us every step of the way. When we were young, they tended to us when we were sick. As we grew older, they listened to us and carefully guided us with a wisdom that only a mother can have for her child. No mother is perfect, as none of us are perfect, but the love that God places in our hearts can always overcome any human imperfection. Often it is not until we become adults that we really begin to appreciate who our mother really is. The years pass quickly and it is only then that we begin to realize that there is one treasure and gift in our life never to be replaced or found again. Only God could give us such a gift and we are most grateful for the blessing of our mothers this day. May each of our mothers know the blessings that they are to us on this special day that is theirs.

The Bishop's Annual Appeal continues this weekend. We have reached a total of approximately \$44,000 toward our goal of \$162,387. Please fill out the envelope that you received in the mail, or pick one up in the church and drop it in the collection as soon as possible. Again, I am asking everyone to consider making a pledge of at least \$150 toward this appeal. If we do, I am sure, we will make our goal. Without this annual appeal, the ministry of the larger church of the Diocese of Columbus could not take place. This Appeal funds such vital programs as the social concerns of the Diocese, parish and school assistance, and seminarian education. We need every family's participation. Just as every family expects and uses the services of both the local parish and larger diocese at any given time, so we must commit to it so that the mission that Christ has given to it may be carried out. Very simply, this will not happen without your participation, and it is a matter of justice if we have the means to do so. We are called to give as God has given to us.

**“MOTHER”**

The most important person...on earth, is a mother. She cannot claim the honor of having built Notre Dame Cathedral. She need not. She has built something more magnificent than any cathedral – a dwelling for an Immortal soul, the tiny perfection of her baby's body...The Angels have not been blessed with such grace. They cannot share in God's Creative miracle to bring new saints to Heaven. Only a human mother can. Mothers are closer to God the Creator, than any other creature. God joins forces with mothers in performing this act of creation. What on God's earth is more glorious than this...to be a mother.

*Joseph Cardinal Mindszenty*

*Loving God, we thank you for giving us Mom and for the many ways she shows us your love. On this, her special day, we ask you to bless her with your joy and peace. As she cares for all of us, help her to find strength for the many challenges she face. Help us to show our gratitude for all she does, and especially for who she is. Amen*
