**HOSPITALS FOR SINNERS**

Jesus is the promised one who has come to save, heal and raise up all in need of salvation. The sinful woman in today's Gospel bends low to bathe the feet of Jesus with her tears, wipe them with her hair, kiss them and anoint them. The woman who sits at Jesus' feet is a true disciple. In this story, Jesus contrasts the Pharisee's lack of love with the woman's lavish love. Today's Gospel is a story about the Eucharist. This story demands reconciliation and asks that those who come to the Eucharistic table repent and welcome others. As Donald Trautman, Bishop of Erie, Pennsylvania, has often said, "Our houses of worship are meant to be hospitals for sinners, not museums for saints."

**A Word from Fr. Jim**

We have our annual Vacation Bible School Week every morning throughout the coming week. It is a high energy week as children, high school youth, young adults and adults all come together to share and grow in God's Word and love in special week. I see it as an example of the Holy Spirit at work in our midst as gifts are shared and the parish community grows in so many ways and all our lives are enriched. Keep the Vacation Bible School in your prayers this week that the Holy Spirit may continue to bring to life God's Word for us. I would also like to take this moment to thank all those who are volunteering in any way to make this wonderful week happen. Your efforts are not unnoticed and God will reward you for the way you are serving in the days ahead.

We continue to work at our 2010 Bishop's Annual Appeal. We have reached a total of approximately \$115,000 toward our goal of \$162,387. We are now at 71% of our goal with approximately 23% of our parishioners participating. We are now moving into another phase of the campaign. We have identified literally hundreds of families who have given in the past but who have not donated this year. We have also identified hundreds who are very generous to our own parish but who have not donated to this Appeal as well. The participation of all these generous parishioners would place us well over our goal. We will be contacting you personally and asking for your kind participation in the next couple of weeks. Thank you in advance for your participation that I know will place us over our goal.

**NEIGHBORHOOD CORNER**

Have you been wondering how you might help with our parish? Are time and schedule commitments keeping you from getting involved? The Elizabeth Seton Parish Neighborhoods is the place for you! ### A GOOD WARM-UP

#### MAKES FOR A GREAT EUCHARISTIC WORKOUT!

Experts recommend warming up before exercising to adequately prepare the body and get the most benefit from the workout. The same applies to our participation in Mass. When our hearts and minds are properly prepared, our experience is richer. Try these ideas to have a great Eucharistic workout:

**Prepare for exertion:** We come to Mass not as spectators, but as participants. Prepare to join with other members of the body of Christ in prayer, worship, thanksgiving, and Communion.

**Stretch out:** Is something holding you back from giving your whole love and attention to God? If you are carrying worry, anger, resentment, or guilt, spend a few moments letting it go.

**Start slowly:** Arrive early to review the readings. Ask what God is trying to tell you, personally, in the words of Scripture.

**Get into the Zone:** Something amazing happens every moment during the Mass. Don't miss a single one. Think about what you are saying as you recite the prayers. Enthusiastically speak the responses. Sing with your whole heart. Allow yourself to be awed by receiving the Body and Blood of Christ in the Eucharist.

**Cool down:** After the celebrant leaves the church, spend a few moments figuring out what God wants you to do for the next week as a result of what you just heard and said.

*Now...don't you feel more refreshed and alive?*
