More About Kairos

Kairos is an ecumenical Christian ministry designed for use in men's and women's correctional institutions. The ministry is conducted, in cooperation with chaplains of correctional institutions, by teams of lay and clergy who are qualified by their experiences in Christian renewal movements.

The Kairos experience for residents starts with a 3-day short course in Christianity. This weekend involves about 42 inmates screened by the Chaplain and a team of about 55 lay and clergy persons. The weekend is modeled after renewal weekends like Cursillo, Cum Christo, Emmaus Walk and Via De Christo.

After their Kairos weekend, residents continue their faith walk by participating in small Prayer and Share Groups. These groups meet weekly to share their lives on a deep spiritual level and to pray for one another. Kairos participants also attend monthly reunions in the institution with Kairos volunteers. Kairos volunteers conduct two spiritual retreats per year for residents who have made a Kairos weekend.

What is Kairos?

The purpose of the Kairos ministry is to help grow and nurture strong Christian communities within adult correctional institutions.

Through a systematic structured program, God helps Kairos volunteers provide residents the opportunity to know Jesus Christ as Lord and Savior and/or to renew that relationship—starting with the 3-day Kairos "short course in Christianity." During the weekend and subsequent follow-up spiritual growth activities facilitated by Kairos volunteers and prison chaplains, residents are challenged to accept God's call to a life of Christian witness and service to one another and to staff during their stay in the institution and beyond.

As the mission of Kairos is accomplished in an institution, there is a positive impact on the total environment of the institution.
